Global Speaker | Cross-Border Expert | Navigating Your Path to Invest, Live, Work & Play Across Borders

Serial entrepreneur Lauren Cohen is an International Lawyer, Realtor and Cross-Border Expert. Lauren is also a best-selling author and sought-after speaker and is a globally-acclaimed legal, real estate and business advisor. Lauren's passion for protecting the heart and soul of businesses shines through in all aspects of the services that she and her team provide.

After her then-husband's deportation on the return trip from their honeymoon, Lauren was devastated. She felt compelled to find solutions for herself and others, and strongly believed that she could make a difference, so she turned to the crazy world of immigration and international law. Today, Lauren is recognized as an expert authority in many fields. Real estate investors and entrepreneurs hire her as a turnkey concierge to protect their businesses and revenues so they can avoid costly challenges while expanding across borders.

A graduate of York University and Osgoode Hall Law School in Toronto, Lauren is a dual citizen. She has been featured in *Inc.* Magazine, *The Wall Street Journal*, NPR, *Working Mother*, TV, hundreds of podcasts and radio shows and numerous other mediums. Lauren launched her own podcast, *Investing Across Borders*, in November, 2020. Lauren believes in going above and beyond borders to navigate a successful path for clients to invest, live, work and play—anywhere!

Two of Lauren's favorite mottos are **"DON'T GIVE UP—GIVE BACK!"** and **"JUST KEEP SWIMMING"**

Lauren Cohen is a brilliant, heart-centered speaker. She speaks with passion and compassion and is an expert in many fields from law to real estate to investing across borders. Lauren's client-focused approach shines through for all who are fortunate enough to be "wowed" in her live or virtual audiences.
